

## PRATUM CONSTRUCTION SERVICES MAKING EVEN THE BIGGEST JOBS LOOK EASY

Pratum Construction Services, LLC was formed in 2010 as a Project Management/Construction Management General Contracting firm to provide construction related services to commercial, industrial and retail clients. President Steven Howett has 30 years' experience in the petroleum, car wash, convenience store and retail industry. He has been involved in well over 600 sites to varying degrees. He utilizes his depth of knowledge and insight and leverages all available resources to complete projects in a smooth and timely manner.

We have built strong relationships in the past, and will continue to attract and strengthen new relationships, by listening, understanding and adhering to our clients and their unique needs. Whether the project is a design/ build or a conventional bid we strive to provide a quality product of which our clients can be proud.

## THE **WT** FAMILY OF COMPANIES

W-T Engineering, Inc, is a family of companies that creates a full service consulting engineering firm. For over 40 years, we have been serving developers, municipalities, park districts, architects and corporate clients with innovative and economical design solutions for their developments. Our extensive experience and professional relationships we have built over the years with the municipal, county and state engineering departments differentiates us from the competition. We continually remain current, competitive and "state-of-the-art." Find out today, how we can provide you with, One Source. Infinite Solutions.

### ONE SOURCE. INFINITE SOLUTIONS.

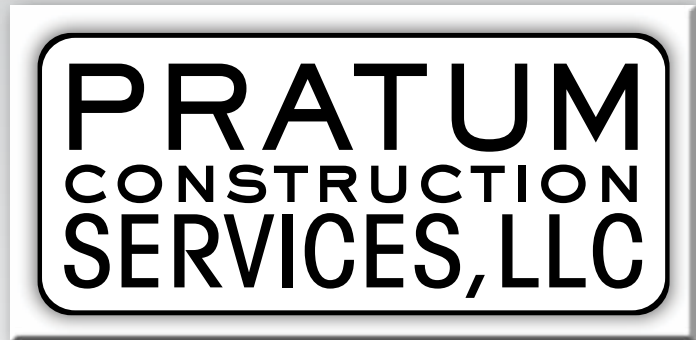

The W-T family of companies is 'One Source. Infinite Solutions.' for engineering related services. Our groups work together to move projects quickly and produce a successful outcome. # BUILT-IN ADVANTAGE

We pride ourselves on our focused experience of tank piping and environmental construction knowledge. Our training in regulation compliance and on-site experience in well over 600 sites allows us to lead projects smoothly through each phase until completion.

We are a mid-size general contracting/construction firm with ample resources to complete large projects; yet small enough for each team member to be involved in the product outcome. Our clients benefit from receiving the influence and attention of veteran leadership and their 50+ years of combined experience.

## SERVICES

- General Construction
- Construction Management
- Civil/Architectural Design
- Design BuildGPS Control Networks

## FAMILY SUPPORT

Pratum Construction Services, LLC functions as an independent enterprise within the W-T Engineering, Inc. Family of Companies. Clients can hire the Family as subcontractors or as a project lead when appropriate. This partnership provides us with stability and support when a project requires outside expertise, yet allows us to operate with flexibility and void of obligation.
