

The **WT** Family of Companies

March 2014

The President's Series

Scott Brown, Director of Business Development for the W-T Family of Companies, dives into the professional experience and lives of our company presidents. First up: Stephen T. Triphahn, President of W-T Mechanical/Electrical and CEO of W-T Engineering. [Click HERE](#) for the full interview.

IAPD/IPRA 2014 Conference Wrap-Up

W-T Engineering and its family of companies attended the annual Illinois Association of Park District and Illinois Park & Recreation Association (IAPD/IPRA) Conference at the Chicago Hyatt Regency. The Conference was held January 23-25, 2014. W-T was one of several hundred exhibitors, showcasing their services and/or products. [Click HERE](#) to read more.

W-T Land Surveying

Project of the Month

Earlier this year, W-T's Civil, MEP and Land Surveying Groups were brought on board for a new Pet Lodge and Animal Hospital in Schaumburg, Illinois. BMK Veterinary Associates' Business Manager, Charles Bulson could not have been happier with W-T's customer service:

"Your team is one of dedication, patience and perseverance; as though, our project, is their project," said Charles. To read the full letter, [please click HERE](#).

Included here, an excerpt from the recent, Include Me! News from Recreation Accessibility Consultants, LLC - March, 2014 newsletter.

Service Animals and You: Don't Let the Tail Wag the Dog

We could probably write about the service animal requirement for businesses, nonprofits, and local governments every day, much less every month. Title II for governments and title III for businesses and nonprofits are very clear: service animals can go... [Click HERE to read more.](#)

Employee Highlights

Feedback from our clients, the good and the bad, is always appreciated, to make sure we continue to focus on supplying our clients the best service we have to offer. Here, we are fortunate to hear about the great work we can be proud of... [Click HERE to read more.](#)
