

# The **WT** Family of Companies

April 2014

## The President's Series

*Our President's Series continues as Scott Brown, Director of Business Development for the W-T Family of Companies, dives into the professional experience and lives of our company presidents. This month: Keith Mandoske, President of W-T Communication Design Group, LLC. [Click HERE for the full interview.](#)*

## MWRD Announcement

Starting on May 1, 2014, the Metropolitan Water Reclamation District (MWRD) will put into effect the Watershed Management Ordinance (WMO) which could drastically affect your site design and construction plans. This ordinance, which will apply to all of Cook County, with some exceptions, aligns the MWRD with the collar counties' storm water requirements. [Click HERE to continue.](#)

## Our New W-T Technology Design Group!

The W-T Family of Companies is proud to announce another member to our team; W-T Technology Design Group, engineering innovative technology systems that meet our clients' needs and budget. Technology moves at breakneck speeds. Systems need to be designed to meet the needs of today and the foreseeable future. Our team works to identify and translate an organization's telecommunications, audio, visual, and security needs into clear construction documentation; helping to eliminate 'surprises.' Our combined solutions and thorough approach ensure smooth project planning from budgeting to completion. [Click HERE to continue.](#)

### **Disney Policy Discriminatory?**

The moms of 16 kids and young adults with disabilities have sued Walt Disney Parks and Resorts for its new policy regarding ride access for families with a member with a disability. The old policy allowed families with a child or young adult with a disability... ***Click [HERE](#) to continue.***

## **Milestone Anniversary**

The W-T Family congratulates Chris Starke on his 25th anniversary at W-T Communications Design Group! "Without his commitment and dedication, the Communication Design Group would not be the top notch company we are today," said Keith Mandoske.

Thanks Chris, for your continued dedication and the hard work you contribute on a daily basis!

## Project Highlight

"I started working with the W-T Engineering team; specifically MEP and Technology Design in the summer of 2013. We worked on the John G. Shedd Aquarium in Chicago and Northwest Community Hospital in Arlington Heights, Illinois. Your dedicated staff has provided quick solutions and timely responses that in turn make it possible to meet or exceed client expectations. W-T has a proven track record with Sodexo and I look forward to working with W-T on many future projects."

Robert Wittle  
Senior Project Manager  
Sodexo USA
